
The Nurturing Center Receives Funds

The Nurturing Center is grateful for a financial contribution from the Flathead Community Foundation. "This gift is a token of appreciation for your good work in our community, and a demonstration of our commitment to help your organization continue to meet the needs of our residents" states Muffie Thomson, Chairperson of the Foundation's Grants Committee.

The Flathead Community Foundation's mission "is to enrich all communities in the Flathead Valley by creating connections between donors and their interests." As a non-profit agency, The Nurturing Center depends on such contributions for their sustainability, to continue to help families find their way to becoming the healthiest parents they can be.
