

DreamBuilders
PLAYHOUSE
RAFFLE

What are the benefits of being a Dreambuilder?

You will be investing your skills and resources directly in your own community. Your business will be promoted in playhouse flyers, posters, media presentations and advertising. Playhouses will be on display at the **FBA Building Showcase**, then also at the **Kalispell Center Mall** for 4 weeks during many events! Each playhouse will prominently feature signage marketing the builder and partners using your own logos! Materials and labor for each playhouse could be a tax deductible donation for your business!

The Nurturing Center's 14th annual DreamBuilders Playhouse Raffle will support families in NW Montana by raising money to provide services to strengthen families.

Please consider this opportunity to contribute to building a stronger community by participating to build a playhouse for our fundraiser scheduled for March 19th -April 17th.

This will be our 2nd year collaborating with the **FBA Building Showcase**, to create a great experience for the playhouse builders & sponsors and for the DreamBuilders fundraiser!

DreamBuilders will kick-off at the **Flathead Building Association's Building Showcase** at the Flathead County Fairgrounds. The playhouses will then move to **Kalispell Center Mall** to be on display there for four weeks.

It's easy - you design and build a miniature house that will be enjoyed by children for years to come.

What do you need to do?

- Review the enclosed SPEC sheet
- Complete the commitment page and return it to us
- Call us if you have any questions or suggestions 756-1414 or info@nurturingcenter.org.

SPEC SHEET

The Playhouse design is completely up to you.
We encourage you to be creative with safety & fun in mind.

Playhouse Dimensions: In order to move your playhouse into the mall with a forklift, *your playhouse should not exceed:*

Width: 8 feet wide
Length: 9 feet
Height: 8 feet tall

You may exceed these dimensions only if your playhouse assembles in different parts and you will be able to do assembly with each move.

A **Mailbox** will be needed for the front of the playhouse to collect ticket stubs. It is suggested that it be approximately 6" x 8" x 6". There needs to be a slot that is 2" to 2 3/4" long so the ticket stubs can fit and a hinged access so that we can easily remove ticket stubs each day.

Delivery will be due to the FBA Building Showcase March 19th at the Flathead County fairground's new trade building. The deadline for completion is March 19, 2010.

We hope you will plan to be a 2010 Flathead Valley DreamBuilder!

DreamBuilders 2010 Fundraiser

www.nurturingcenter.org

Yes, I would be interested in building a playhouse for DreamBuilders.

Please send me more information.

No, I am not able to help this year.
